Tri-Rivers Offers Skills In 25 Areas

Classroom and shop experiences, labs and related instruction, and on-the-job training are all a part of the Tri-Rivers program. Fifty-four Mount Gilead students are spending their junior and senior years learning a skill which will help them to become successful in the marketplace. Courses such as Electrical Tades, Law Enforcement, Agricultural Mechanics, Data Accounting, and Diversified Health Occupations are only a few of the 25 vocational skill areas offered at the JVS.

Four Enroll . . . In Unique School Program

At the annual Awards Assembly, Senior Citizen Certificates for the completion of courses were awarded to Bob Osborne, Doris West, Grace Lentz, and Margaret Miley.

This year the Mount Gilead Schools instituted an unique educational program for Senior Citizens. Any senior citizen could enroll in numerous high school classes free of charge. Senior citizens attended classes, completed assignments, took tests, and received grades just like their younger classmates. Four local citizens completed the entire school year's work. Bob Osborne enrolled in Algebra and Spanish, Margaret Miley in Local History and Art, Grace Lentz in Typing, and Doris West in bookkeeping. Regular high school students and senior citizens both found the program an enjoyable and rewarding learning experience.

Mount Gilead's football team finished the season in fine fashion with an overall record of 8 wins and 2 defeats. This mark of 8 wins has only been obtained only by six other previous Mount Gilead football teams. Unfortunately, both of the Indian's losses came in league play which prevented the team from capturing the MOC title. Mount Gilead finished in 5th place in the state computer playoffs and did not qualify for post season action. The team's offensive strength was led by eleven seniors and one junior. All MOC selections went to Nathan Long, Jim Zwayer, and Scott Casto. Cheerleaders Are A Hardworking Group

The cheerleaders are one of the most dedicated and hard-working groups in the high school. They are responsible for developing school spirit during the football and basketball seasons. During the year they spend hundreds of hours practicing, making posters, decorating team members' lockers, organizing pep rallies, and cheering at the games. Parades and bonfire pep rallies were held before the Cardington and Ontario games. Various class contests were sponsored by the cheerleaders during Spirit Week before the homecoming game with Ontario. Highlight of the year for the basketball cheerleaders was cheering and decorating the high school for a MOC championship team.

Indians Are MOC Basketball Champions

The Mount Gilead boys' basketball team went from last place in the league last year to 12-2 and MOC champions this year. It was the first basketball championship in 18 years for the Indians, and a very good way for the eight seniors of the twelve-man squad to end their high school basketball careers. Overall the Indians had an excellent 16-5 record. Highlights of a very exciting season included a 50-48 home victory over previously unbeaten Northmor which gave the Indians a share of 1st place in the league race, and a 55-52 double overtime victory at Highland which kept the Indians tied for 1st place. "Wait Until Dark" Is Year's First Play

The Mount Gilead theater department presented the spine-tingling suspense drama, "Wait Until Dark", on November 11, 12, 13, in the high school lecture room. Action in the play quickens when an unsuspecting photographer, Sam Hendrix, buys a doll for his blind wife only to learn much later that the doll is harboring a stash of illegal drugs. Harry Roat and his trusty switchblade named Geraldine attempt to regain possession of the doll, but find that obtaining the valuable doll is not easy, even though its owner is blind.

Above: One step ahead of his victim, Harry Roat (James Hatfield) watches the blind Suzi Hendrix (Shelly Rankin) who thinks she is in a dark room.

Sam and Suzi Hendrix, a young couple in love despite Suzi's handicap, find themselves tormented by Roat and his gang.

Right: Roat's hired men attempt to back out of the deal to regain the doll, but are threatened by Roat's switchblade, Geraldine.

PLAY CAST: Robert Wolford - Policeman, James Hatfield - Harry Roat, David Johnson - Sgt. Carlino, Joe Maslar - Mike Talman, Shelly Rankin - Suzi Hendrix, Artie Miller - Sam Hendrix, Lorraine Wright - Gloria, William Stump - Policeman.

Theater Department Features Double Bill

April played by (Cheryl Stotts) and younger sister Ali (Deb Davis) watch Bambi in youthful stage of relationship.

Sisters by M. Charlotte Johnson and **The Real Inspector Hound** by Tom Stoppard were presented by the theater department on May 13 and 14. As a prelude to the feature play **The Real Inspector Hound, Sisters** explores the levels of childhood and the loves and hates of an older and younger sister. With each scene, the audience notices a change in age and its accompanying change in attitude. **Sisters** is humorous, yet touching in its portrayal of sibling rivalry and growing up. In **The Real Inspector Hound,** two critics, Moon and Birdboot, become involved in a farcical who-dun-it as they innocently review a current play. The actors, who are tired of these critics and their unfair comments, entice the fault-finders onto the stage with a ringing phone which no one answers. Once on stage Birdboot and Moon plunge into the story of the beautiful Lady Muldoon, the mysterious secret of her husband's disappearance, and the revelation of the Real Inspector Hound. The hilarious unraveling of events leave the critics at the mercy of the actors.

Mrs. Drudge serves tea to Lady Cynthia and her guests at Muldoon Manor.

Sixth Graders Enjoy Outdoor Camping

The outdoor education program at Lutheran Memorial Camp is a favorite part of the year for sixth graders. Students, teachers, and high school counselors spend three days and two nights participating in a variety of nature-related activities. This year's camp took place the first week of October. Mild fall weather made the students' stay at camp a delightful experience while they studied stream ecology, orienteering, pioneering, and forest life.

Students watch camp director Fred Gliem prepare apples for making apple butter.

Tired but happy campers prepare to return home. Boarding the bus are Bronwyn Naysmith, Cheri Reed, Malinda Chalfant, Brian Stotts, Kristy Peterson, and counselor Kevin Wolford.

In orienteering students listen as one of the camp instructors explain the use of the compass and other equipment.

Students take notes while listening to the instructor of forest studies.

MEDICAL STAFF OF MORROW COUNTY HOSPITAL

As seniors we have worked hard to help make the 1983 Mizpah special. Our class achieved many great things while we were together and we are sure much success will come to the members of the Class of 1983. To the graduates - "Good luck!"

To the underclassmen, we challenge you to follow your own dreams and to look for a pot of gold at the end of all your rainbows.

A special thank you goes to our advisor, Mr. James Miller, for all his hard work and dedication to this yearbook.

As we close, we would like to remind you where the title "Mizpah" came from. "And Mizpah; for he said, 'The Lord watch between me and thee, when we are absent one from another.'"
